

**IMPORTANT ANNOUNCEMENT
FOR ALL VACATION VILLAS AT FANTASYWORLD OWNERS**

On behalf of the Board of Directors of Vacation Villas at FantasyWorld, we are pleased to announce the purchase of FantasyWorld Management by Vacation Villas at FantasyWorld Timeshare Owners Association. After many years of not owning our own check-in facility, and not being in charge of our own operations, the Board and Management have worked for quite some time to try to locate or purchase a permanent facility that will be owned by the Association. This hard work has finally become a reality. This new acquisition consists of the main check-in facility located at 5005 Kyns Heath Road, bar and game room, as well as a large rental business that will benefit the Association.

We are very pleased to make this announcement to all of our owners and look forward to your arrival for the first time at our very own Association owned check-in facility.

This facility is complete with:

**24 hour Front Desk and Check-In facilities
Owner Services and Reservations
Resort Recreation
Management Offices
Mail Drop and Stamp Machine
ATM Machine
Game Room
Bar/Lounge
Resale Office**

Thank you for all the support you have shown the Board of Directors.

Sincerely,

Board of Directors and SPM Resorts, Inc.
